Brief Class Descriptions

**OPEN STUDIO**

Take advantage of studio time with supervision but without direct instruction. Hone your skills or advance your graphic work with or without the guidance of a knowledgeable Printmaker. Bring in your projects or start from scratch. Either way you will enjoy this opportunity to explore and express your creative best. Cost: \$30 (3 hour session). - Free, on the second Sunday of the month from 1-3 PM.

**MONOTYPE**

Capture the beauty offered in Maine with non-toxic monotype printmaking techniques in this class. Demonstrations will be given and students will be encouraged to draw from their experiences as they develop their subject matter into suites of colorful monotypes. Generally, even beginning students can expect to come away with several good images after a mornings work. Cost: \$40
